

Welcome

In more than 900,000 classrooms across the U.S., students are participating in reading programs that set goals based on books read, chapters read and number of minutes spent reading. Additionally, music programs require a portion of the student's grade to be based on practice logs.

Become a mark-my-time school fundraising partner and receive the following benefits:

- » A fresh new option to the routine fundraising programs all the parents have seen.
- » Free shipping to your school.
- » Flexible options generating up to a 40% profit - that's more than \$3.50 per bookmark sold.
- » 48-hour turnaround on most orders.
- » Student order forms, newsletter text and graphics provided to make fundraising simple!

All digital bookmarks feature:

- Countdown session timer with alarm
- Cumulative timer for multi-session reading

Mark-My-Time offers schools three exciting buying programs:

In-School sale

Make 40% profit by sending home order forms with the students or displaying and selling mark-my-time bookmarks at your back to school curriculum night, book fair or other social event. Combine both programs to customize your fundraising campaign.

Online Fundraising

Request a fundraising promotion code unique to your school. Promote community involvement by allowing parents, friends and relatives to order, pay and received mark-my-time products in their own homes while your school receives 20% of every purchase.

School Discount

Use the mark-my-time digital bookark in the classroom as an incentive or for school-wide distribution in support of your reading programs. Discounts start at 30%. Minimum quantities apply.
